

**COURT OF APPEALS
SECOND DISTRICT OF TEXAS
FORT WORTH**

ORDER

The following appeals were originally submitted to the court with oral argument. On the court's own motion, in order to substitute other members of the court for Justice Anne Gardner, the court orders these causes removed from their present submission dates and panels. Any party desiring to reargue a case before the new panel should notify the Clerk of the court within ten days of this order. Otherwise, the court has the audio recording of oral argument available for the new panel members.

The Clerk of this court will reset these causes for submission without oral argument, unless otherwise requested and granted, on March 3, 2015 before the following panels:

02-13-169-CV	Texas Farmers Insurance Company v. Kurosky	Justices Dauphinot, Meier, and Gabriel
02-13-298-CV	Miller v. Lucas	Chief Justice Livingston and Justices Walker and Sudderth

02-13-205-CV	Allison v. Conglomerate Gas II L.P.	Chief Justice Livingston and Justices Walker and Gabriel
02-12-471-CV	Main Street Schools, LLC v. Bimmerle	Chief Justice Livingston and Justices Walker and Sudderth

These panels are subject to further change by the court. See Tex. R. App.
